

## DELTA 30/R DESTEMMER, MORI

**Gross price:**  
**36 573 €**

**Net price:**  
**29 734 €**

Stainless steel destemmer with 3-phase motor (without pump), stainless steel sieve, grape destemming shaft and detachable crusher. Frame made of solid stainless steel profile. The device also has a crusher equipped with two adjustable rubber pressure rollers, which ensure very gentle opening of the grapes. Wheels facilitate operation. The advantage of the DELTA 30/R is a large loading hopper with a stainless steel feeding screw.

The standard basket is made of stainless steel. At the customer's request, the basket can be made of plastic. In addition, according to the customer's request, it is possible to make different versions of perforation of the stainless steel baskets.

The device also includes a steel tank for ground grapes, equipped with a stainless steel screw and a threaded end for connecting the pump. If the customer decides on the version without a stainless steel tank, it is necessary to use a screw (screw) or peristaltic pump with a reservoir.

### Product Specification

- Length 1700 mm
- Height 1200 mm
- Width 560 mm
- Material: stainless steel
- Voltage 400 V
- Capacity 3-5 t/h
- Motor 2 HP
- MIN speed 250 rpm
- MAX speed 500 rpm
