Gross price:
5 275 €

Net price:
4 289 €

NADALIÉ TRADITION barrels have been designed with the utmost respect for tradition. Created as a result of meticulous selection of the best French oak, they guarantee classic wine maturation marked by authenticity.

ALIER

Fine sessile oaks from the Alier forest give the barrel flexibility and holding power, as well as a reliable consistency. The area's volcanic soil also keeps your wines fresh.

ASSEMBLAGE

Roundness and character are the main advantages of this barrel, the result of selection from prestigious forests in central France. Its consistency makes it one of our most sought after barrels.

PRIVILÈGE

A mixture of French sessile oaks. This is an ideal barrel for traditional aging of 10 to 12 months. It gives a classic oak note and a wrapping structure.

Barrels available from 225L to 600L.
