

GLUCOSE, DEXTROSE 1000 KG

Gross price:
7 643 €

Net price:
7 077 €

Grape sugar (crystalline glucose, dextrose), manufacturer: Cargill. Packed in 25 kg bags.

Facilitates the start of fermentation, guarantees full fermentation and a delicate taste. It is an excellent substitute for sugar (sucrose). It is used in fermentation and refermentation in individual packages (bottles).

Chemical formula: $C_6H_{12}O_6$.
