

GRAIN MILL, HQ1

Gross price:
21 104 €

Net price:
17 158 €

Cereal mill with two driven, fully hardened rollers (stainless steel alloy), adjustable grinding gap and standard magnetic separator. Deep pocket grinding of the roller ensures optimal shape of the milled cereal flakes.

Technical data

- Mixed grain capacity - 150 kg/h
- Oat capacity - 100 kg/h
- Throwing height - 860 mm
- Material: painted steel
- Weight 65 kg
- Height with frame 1 275 mm
- Electrical fuse 16 A
- Electrical connection 400V 50Hz (three-phase)
- Motor power 1.1 kW
- Processible materials: cereals, peas, broad beans.
