

PALLET BOX FOR GRAPE HARVESTING AND TRANSPORT

Pallet box for grape harvesting and transport made of food-safe plastic - dark green PE compliant with EU regulation 1935/2004.

Accessible from below on all sides using a forklift or pallet truck. Tilttable on all four sides using rotators. Stackable:
empty: unlimited
full: up to three stacks.

Easy to clean dark green PE. No ribs inside, so no dirt build-up

Very stable - double wall with stabilizing hopper

Gentle transport of grapes and fruit.
