

## PROFESSIONAL MANUAL CORKER FOR WINE

**Gross price:**  
**7 140 €**

**Net price:**  
**5 805 €**

Professional stainless steel corker for corking still wines. The corker handles bottles with a capacity of from 0.5 to 1 liter and natural and synthetic stoppers in size 27, diameter 48 mm height/length. The big advantage is the adjustable jaws. The closure of the bottle is achieved by gripping the cork with the jaws and pushing it into the bottle. Capacity depends on the ability to handle 100 - 150 bottles / hour.
